

Welcome to the Rush Common Before and After School Club (BASC)

Introduction

The Club is open to all children attending Rush Common Primary School and is inspected as part of the school Ofsted. It exists to offer a child care service for working parents and for parents wanting, for whatever reason, to delay collecting their children at the end of the school day. The club provides children with flexible opportunities for play, activities and relaxation in a co-operative, supportive atmosphere. The emphasis is on leisure activities to ensure that the children do not see the Club as an extension of their working day in school.

School links:

The Club works very closely with the school, which allows two-way regular communications. This link is particularly strong with the Foundation Stage enabling younger children to settle in well. We also run a 'Key worker' system; each child is assigned an individual adult as their key worker to enable closer links between each other and with parents / carers.

When and where does the Club operate?

The Club is based in its own premises, which are situated on the playground. The Club runs every weekday morning from 7.30am - 8.30am, each afternoon from 3.00pm - 5.00pm and extended sessions are run from 5.00pm - 6.00pm term time only.

Car Parking

Please consider local residents when parking in the front of the school.

What happens at the After School Club?

The policy of the Club is to offer opportunities for self-initiated play, co-operative team games and a range of organised activities, such as art, crafts, music, computing, sewing etc. Each day there are organised activities in which the children may decide to participate or they may simply decide to 'do their own thing' with the materials and equipment available. The club also provides facilities for children to independently tackle homework tasks, if they wish. There is a reduced range of activities offered during the Before School Club, due to time constraints.

The Club recognises the importance of play, so the Play workers are guided by the children's ideas. The needs of all children, of all ages and cultures are constantly monitored to ensure they are amply provided for. Play workers are trained to give

constructive support to all children in mixed age and ability groups, so that they all enjoy varied, stimulating and appropriate play.

At the end of each session, children are expected to help clear away, ready to be picked up promptly at 5.00pm, or in the case of extended session 6.00pm.

Registration

Before School Club: Please enter school via the front coded gate, ring the doorbell as you come through second gate no earlier than 7.30 a.m. Your child becomes the responsibility of BASC staff once they are registered within the club by parent/carer. Children are their parents' responsibility until this time.

At the end of the school day our Play workers collect the R/Year 1 children on our attendance list from their classrooms and take them to the Club. All other children make their own way there for registration. Children attending after school activities e.g. football, netball, choir etc. need to have informed BASC staff and should register when they return to the Club, at which time they will be in our care. We are responsible for children who are registered in, paid for, and in the care of our staff.

Comments, Problems or Queries

In the first instance, any problems should be addressed to the BASC Manager this informal approach is nearly always the quickest and most effective way of resolving your concerns. If you feel that your concern has not been resolved, then it is important to ask the school for the complaints procedure. This explains what you should do next. The school will use the following processes and will advise you:

- To speak with or write to the head teacher who will look into your concern.
- To write to the Chair of Board of Directors if you are unhappy with the head teacher's response or if the matter concerns directors.
