Dream, Aspire, Succeed

Dear Parents/Carers

The Summer Term is always such a busy and exciting time and over the last two weeks it has been no different. I must start with our incredible Key Stage 2 Sports Day, which took place yesterday. The children competed superbly, enjoyed the event hugely, and encouraged every other competitor to the end of every race or field event. There were some very close races, with many school records broken, such was the positive competitive edge of the morning. This transferred to the final overall points tally, with just one point separating first and second place. The overall winners were Kites, who were absolutely delighted to be victorious this year! A huge thank you to Mrs Barnes for her organisation of the day, and to the large number of parents who came to cheer on their children.

Last week, Year 6 had their residential trip to Call of the Wild in Wales. It was an unforgettable experience for all of the children, and the development of independence, resilience and confidence on this trip will be invaluable. Activities included 'Wet and Wild' water activities, gorge walking, caving, climbing, waterfall walking, orienteering and much more. As you can imagine, the children were tired from all their adventures but clearly had the most enriching and rewarding experience!

This week we held two concerts in school. The first, on Tuesday, was the Orchestra Concert, which was absolutely delightful and demonstrated the musical talent of our children. It is a unique feature of our school that we have so many musically talented staff and Mrs Neal, Mrs Carr and Mrs Lipp joined the performance. The orchestra was arranged and conducted by Mrs Wallis, who has continued to volunteer at our school, and we thank her for all she continues to do for Rush Common. On Wednesday, we held our Choir Concert, which was fantastic – the children's enthusiasm, enjoyment and talent for singing shone through, and it was a pleasure to watch. A particular thank you to Mrs Lipp for preparing, arranging and leading this event.

Sticking with the theme of music, our Orchestra have been at the world renowned Birmingham Symphony Hall today to perform at Music for Youth's National Festival. For many of our children performing today, it is a 'once in a lifetime' experience, and will act as incredible inspiration to continue their musical journey. You can look up the event here <https://www.mfy.org.uk/get-involved/national-festival-2025/>

We also have a talented group of Year 4 athletes out today at the Quad Kids Oxfordshire Finals. After yesterday's Sports Day, this is another opportunity to compete against talented athletes from across the county, and we know they will represent the school impeccably.

Last week, we held our Reception Curriculum Assembly for parents. A very large proportion of the children had lines to deliver, and they did so loudly and clearly into the microphone. The confidence and enjoyment of their learning was really evident, and showed just how much they have developed across the course of the year.

On Wednesday, it was our 'Move Up' Day, where all the children spent the morning in their new classes with their new class teacher and teaching assistants. This also included our new intake into Preschool, and our Preschool children moving up to Reception. All the children enjoyed the opportunity to spend time in their new year groups, having come towards the end of their learning journey in their current class. Overall, the children have developed and achieved so much this year, and they are ready to make this next step on their journey through our school.

Finally, with this being the last newsletter of the year, I would like to thank everyone for their continual support of our school, and wish you all a lovely summer holiday when it comes.

Kind regards

Kristen Fawcett

Menstrual Health and
Period Education Advocates

July 2025

Dear Parents and Carers,

All Yours Period Boxes

Over this academic year we have provided over 5000 period boxes to individuals and families. Many of those supported have been part of the school community and we are pleased to be able to continue this support as we enter the summer holidays. If you require period products for yourself or your young people, please do not hesitate to let us know what you need. If you could place your request as soon as possible, it will enable us to deliver them before the holidays start, ensuring everyone has what they need for the summer break.

All requests are free and confidential.

You can request your All Yours box here: <https://www.aliyoursbox.co.uk/request>

All our boxes are prepared by volunteers, and most boxes are delivered by volunteers as well. Where we are not able to hand deliver a box, we use 2nd class Royal Mail to send our boxes. We ask that you allow at least 21 days for delivery, but we do aim to drop off boxes far quicker than this.

Summer Holiday Support

You are welcome to request period products via our website during the summer holidays, but our volunteers typically take time off to be with their families and sometimes delivery is a little slower than normal.

If you need period products urgently over the summer, please visit our website to find a list of our local collection points. This will be the quickest and easiest way to get the products that you need: <https://www.aliyoursbox.co.uk/box-collection-points>

If you would like to find out more about All Yours, or learn about the different ways you can support our work, please visit our website: <https://www.aliyoursbox.co.uk/>

Thank you to everyone for their support during the school year and we would like to wish you all a safe and happy summer break.

With best wishes,

All Yours
