- Parents must not take their children out of school for a holiday, and doing so is against the law.
- Absences must be reported to the school if your child/ren will be absent for any reason. The school will follow-up with any unreported absence, which may include visiting the child's listed address.

An information evening for SATs will be arranged nearer to the time.

Google Classroom

- Your child's new class is being set up by our IT support, Sweethaven.
- Please ensure that you are able to access Google Classroom through your devices at home.
- Please monitor your child's use at home. Google Classroom is not meant to be used for chatting and posting non-school related things.

Homework expectations

- Homework will be handed out in homework books.
- Homework will be sent home on Thursdays and returned to school on Tuesdays.
- Spelling tests will take place on Wednesdays. Children will write these in the back of their homework books.
- Times tables tests will take place as part of Maths lessons at different points in the week.
- Homework includes:
 - Maths/English (alternating each week)
 - Spelling lists
 - Daily Reading
 - Open question (Twice per half term).

KS2 Homework: Open Questions

- Twice per half term, a question will go home as part of the homework. The work done to answer the question can be as small or as large as you would like to make it, depending on your child's interest and the time you have available. Examples include:
 - A simple answer with evidence
 - An investigation
 - Additional research
 - A model (or other creative approach) to demonstrate your answer
- A photo of larger work completed can be uploaded to your Google Classroom stream.

Other ways to support your child

- Daily reading – listen to your child read but also read to them. It helps them to hear and understand rhythm and fluency. Even older children like to listen to stories.
- Conversation – talking about current events, plans, what you or they are reading. This will help build their vocabulary.
- Practise Maths – mental maths, times tables, adding, baking, shopping, etc.
- Help them learn social skills by encouraging them to say hello to known people or order their own food.
- Encourage independence to make simple snacks, pair up socks, tie laces or help around the house. This will build their resilience.

Pupil Welfare

- Keep the school up-to-date on any medical conditions. We will need to see a letter from a medical professional.
- Only prescription medication required more than 3 times daily can be administered. This will need to be signed in by a First Aider. Requests for any exceptions to this must be made to Mr Fawcett.
- It is parents' and carers' responsibility to ensure medication/inhalers are in date.
- Please ensure that your child/ren are equipped appropriately for the weather. (i.e. sunscreen/hats in summer, coats in winter and raincoats as necessary).
- Please communicate any significant bumps or injuries to class teachers.

Pupil Welfare

Bullying: when someone is deliberately hurtful to someone over a period of time.

At school we:

- have anti-bullying ambassadors
- raise awareness through assemblies, presentations, forums, nurture groups, PSHE lessons and pupil leadership.

Banter: According to Oxford Languages, banter is defined as "the playful and friendly exchange of teasing remarks." It's a reciprocal interaction that typically occurs between friends, involving a "verbal ping-pong" of comments meant to be light-hearted and humorous.

- When banter is shared with a wider audience or repeated excessively, it can lose its playful nature and become hurtful.
- Understanding verbal and non-verbal cues is critical in recognising when banter is appropriate. Tone of voice, body language, and facial expressions all play a role in conveying intent. However, for some pupils including neurodiverse individuals, these cues might be harder to interpret, necessitating explicit communication and support.

Wellbeing and Mental Health

Mental health is

"... a state of wellbeing in which every individual recognises his or her own potential, can cope with the normal stresses of life, can work productively and fruitfully, and is able to make a contribution to his or her own community."

World Health Organisation, August 2014

At school we:

- Have a mindful approach to PSHE lessons with built-in mindfulness practice. This is reinforced in assemblies and a new programme, Jigsaw Resilience.
- Promote secure relationships.
- Mark World Mental Health Day and Children's Mental Health Week.
- Have calm spaces and regulation stations.

Ways to support a child or young person

Be there to listen

Regularly ask your child how they're doing, to help them get used to talking about their feelings, and know there's always someone there to listen. You can get tips on [Young Minds: How to talk to your child about mental health](#).

Support them through difficulties

Pay attention to how your child is feeling or behaving and try to help them work through difficulties. It may not be easy facing challenging behaviour, but try to help them understand what they're feeling and why. Learn more from [the Maudsley Charity on difficult behaviour](#).

Stay involved in their life

Show interest in their life and what's important to them. It not only helps them value who they are but also makes it easier for you to spot problems and support them.

Encourage their interests

Support and encourage your child to explore their interests. Being active or creative, learning new things and being a part of a team helps connect us and boost our mental wellbeing.

Take what they say seriously

Listening to and valuing what they say makes them feel valued. Consider how to help them work through their emotions in constructive ways. [Anna Freud Centre's guide on ways to support children and young people](#) has more on this.

Build positive routines

Try to have structure around regular routines, especially around healthy eating and exercise. A good night's sleep is also important, so have a fixed time for going to bed and getting up. The [Sleep Charity has relaxation sleep tips for children](#).

Behaviour:

Be Safe, Be Kind, Be Respectful

- Our behaviour management is based on a restorative approach.
- We create a positive environment throughout the school and model our three school rules.
- Recognition of positive behaviour through House Points, Celebration Nominations, Homework Champions and Sporting Champions.

How you can support the school

- Support social and fundraising events.
- Join Friends of Rush Common (FoRC).
- Become a Governor.
- Volunteering your skills and talents – gardening, crafts, resources, class trips.
- Become a reading volunteer or help in forest school – please contact the school office.
- Follow us on social media and share our news.
